## MATAMATA PRIMARY SCHOOL ICT USER AGREEMENT FORM

To the Parent/ Caregiver/ Legal Guardian

Please read this page carefully, to check you understand your responsibilities under this agreement. Please tick the appropriate boxes and sign this form. Detach and return to school.

I understand that Matamata Primary School will;

- Do its best to enhance learning through the safe use of ICT. This includes working to restrict access to inappropriate material on the Internet or school ICT equipment.
- Working progressively with children and their families to encourage and develop an understanding of the importance of cyber safety through education designed to complement and support the User Agreement initiative. This includes providing students with strategies to keep themselves safe in cyberspace.
- Gain permission for the publishing of student's images and work online and entering competitions.
- Keep a copy of the signed User Agreement on file.
- Respond to any breaches in an appropriate manner.

My responsibilities as a caregiver are to:

- Discuss the information with my child and explain why it is important.
- Return the signed User Agreement Form to school.
- Support the school's cybersafety programme by encouraging my child to follow the cybersafety rules, and to ask the teacher if they are unsure about any use of ICT.
- Notify the school of any changes that need to be put into effect

This agreement will remain in force as long as the student is enrolled at this school unless we are notified of any changes that need to be made.

Thank you

---

I have read this Cybersafety User Agreement and I am aware of the school's initiatives to maintain a Cybersafe learning environment.
